Report and Pay Online
business.KeystoneCollects.com

Effective January 1, 2025, the earned income tax (EIT) rate applicable to "non-resident" commuters is 1%. The non-resident EIT is levied on those who commute to work in Easton City. If the tax rates for the resident and workplace jurisdictions differ, employers must withhold at the higher of the two rates.

Your business must withhold from payroll and report employee EIT to Keystone in compliance with Pennsylvania law. Quarterly payroll withholding returns and payments are due within 30 days after the close of each calendar quarter. *Make your payment by the quarterly due date to avoid statutory penalty, interest and Act 192 costs.*

Employers shall file and pay withheld tax online using Keystone's Business Portal
